

# The Stone Mill®

SLATES • AVONITE • WOOD • CERAMICS

*Signs of All Kinds*

Distinctive signs & accessories for the Home & Garden

# We offer Signs of All Kinds! Read about our products below:

## SLATES

Our slates are newly quarried in the United States, hand cut to size, deeply carved and painted with durable enamels. Slate is a natural metamorphic rock formed 500 million years ago. Because slate is a natural product of the earth, there are features and color variations inherent in the rock. These variations enhance the natural beauty and unique character of all of our slate signs.

## WOOD

Our vintage wood signs are crafted from 3/4" exterior wood laminate stenciled with durable latex paint and sealed with a clear coat to resist fading. These signs are best displayed in a protect/covered outdoor area, on a porch or inside the home.

## AVONITE

Avonite is a hybrid polymer resin that looks like stone and is suitable for exterior use in any environment. These signs are carved with a classic deep "V" groove and painted with exterior acrylic enamel. The avonite material is similar to Corian® with UV properties that allow the material to stand up to outdoor climate conditions. All avonite signs will come with gold screws and collars.

## CROCKS

This USA made handcrafted pottery retains its century old charm and distinctiveness. Designs are deeply carved and clear coated for durability. Our crockery is food safe, ovenproof and dishwasher safe.

## TERMS OF SALE

We require all vendors to keep a credit card on file for personalized orders. We accept Visa and Mastercard.

## UP-CHARGES

All of our plaques come only as shown. Layout changes can be made and the minimum charge is \$20.00
