Window Graphics Sign Company has been working closely with companies in the Silicon Valley for over 30 years. We are a fully licensed and insured sign contractor.

Whether your project is a brand overhaul, an event announcement, or a simple notice, we can provide quality signs and graphics on time and within budget. We can work with your architects and designers to supply you with cost-effective and attractive solutions.

We create monument signs, lobby graphics, directory signs, exterior dimensional letters and much more. We take pride in providing that extra idea or service to maintain a high standard of quality.

Please consider us for any upcoming projects you have. We'll be happy to send a representative to meet with you to present ideas and services.
