

GULFSTREAM PARK

February 21, 2011

To whom it may concern,

Bob Scott Light, Power & Sign is a vendor in good standing with quick response time and quality work. They have done numerous jobs for us over the years both electrical work on pole lights and meter work, and signs such as Cheese Course, Gulfstream Walking Ring letters, cove lighting, Casino signs, Racing Menu digital boards, etc.

We are pleased to recommend Bob Scott Light, Power & Sign for any electrical and sign work you may have.
