# SIGNS+DECAL CORP.

## ABOUT US

We are the leading parking garage signage fabricator in the United States. Founded in 1971 by Babu Khalfan, Signs+Decal continues to set new standards for high-quality signage.

For over 45 years we have been a part of the construction industry in New York City and have successfully worked on signage projects with major contractors, developers, architects, and designers. When you give us the opportunity to work on your signage project, our family along with a team of highly qualified and trained professionals are involved from start to finish.

We are always upgrading our facility with state-of-the-art equipment. We use the newest technology, processes, and materials keeping our environment in mind. We also owe our success to the quality of work we produce, efficiency, speed, and our competitive prices.

Using our years of experience, we have designed this catalog to fulfill a parking garage owner's every signage need. Your parking garage will be enhanced with our easy-to-follow signage system. However if your requirements are any different please contact us and we will always be willing to accommodate you.
